**TO WHOM IT MAY CONCERN**

We wish to confirm that Topdeck Scaffolding have been providing their scaffolding services to our business for the past 10 years approximately.

They have always provided competitive pricing and carried out their work in a professional and safe manner.

Topdeck's paperwork is neat and businesslike, providing Safe Work Method Statements, Handover Certificates and all relevant insurances.

I have no hesitation in recommending Topdeck Scaffolding Pty Ltd for any future work.

We look forward to a long and continued association between our companies.

Yours faithfully
